through Video Conferencing ("VC") or Other Audio-Visual Means ("OAVM"), without physical presence of the members at a common venue. In accordance with the MCA Circulars and applicable provisions of the Companies Act, 2013 ("Act") read with Rules made thereunder and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the registered office of the Company.

2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") setting out material facts concerning the business under Item Nos. 3 of the Notice, is annexed hereto. Further, the relevant details with respect to Item Nos. 2 pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM are also annexed.

3. In compliance with the MCA Circulars and Regulation 36(1)(a) of the Listing Regulations, Notice of the AGM along with the Annual Report for the financial year 2025-26 is being sent only through electronic mode to those members whose e-mail address is registered with the Company / Registrar and Transfer Agent / Depository Participants / Depositories. Further, in compliance with Regulation 36(1)(b) of the Listing Regulations, a letter providing the web-link, including the exact path, where Annual Report for the financial year 2025-26 is available, is being sent to those members whose e-mail address is not registered with the Company / Registrar and Transfer Agent / Depository Participants / Depositories.

4. Members may note that the Notice and Integrated Annual Report 2025-26 will also be available on the Company's website www.popularestatemanagement.in , websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com.

5. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxy(ies) by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and route map of AGM are not annexed to this Notice.

6. Institutional shareholders/corporate shareholders (i.e. other than individuals, HUFs, NRIs, etc.) are required to send a scanned copy (PDF/JPG Format) of their respective Board or governing body Resolution/Authorization etc., authorizing their representative to attend the AGM through VC/OAVM on their behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by e-mail on its registered e-mail address to roc.cskrishna@gmail.com with a copy marked to evoting@nsdl.com and popularestatemanagement@yahoo.co.in. Institutional shareholders (i.e. other than individuals, HUFs, NRIs etc.) can also upload their Board

Resolution/Power of Attorney/Authority Letter, etc. by clicking on “Upload Board Resolution/Authority Letter” displayed under “e-Voting” tab in their login.

7. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

8. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

9. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended) and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020, January 13, 2021, December 8, 2021 and December 14, 2021 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM . For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by NSDL.

10. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular issued from time to time.

11. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their Depository Participant in case the shares are held by them in electronic form.

12. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to submit the said details to their Depository Participant in case the shares are held by them in electronic form.

13. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

14. With a view to serving the Members better and for administrative convenience, an attempt would be made to consolidate multiple folios. Members who hold shares in identical names and in the same order of names in more than one folio are requested to write to the Company to consolidate their holdings in one folio.

15. Members desirous for any information or queries on accounts / financial statements or relating thereto are requested to send their queries at least seven days in advance to the Company at its registered office address or through email at popularestatemanagement@yahoo.co.in to enable the Company to collect the relevant information and answer them in the Meeting.

16. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form.

17. Pursuant to the provisions of Section 91 of the Companies Act, 2013 the Register of Members and Share Transfer Books of the Company will remain close from Tuesday, 1st September, 2026 to Monday, 7th September, 2026 (both days inclusive) in connection with the Annual General Meeting for the financial year ended March 31, 2026.

18. The Company or its Registrars and Transfer Agents, MUFG Intime India Private Limited cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participants.

19. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts.

20. Members joining the meeting through VC, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC but shall not be entitled to cast their vote again.

21. Non-Resident Members: Non-Resident Indian Members are requested to inform Registrar and Transfer Agents, immediately of:

- a. Change in their residential status on return to India for permanent settlement
- b. Particulars of their bank account maintained in India with complete name, branch, account type, account number, IFSC Code, MICR No. and address of the bank, if not furnished earlier.

22. The Company has fixed Monday, 31st August, 2026 as the cut-off date/entitlement date for identifying the Shareholders for determining the eligibility to vote in the Meeting.

23. Ms. Krishna Patel, Company Secretary in Practice (M. No: F13029, COP No.: 19828) has been appointed as a Scrutinizer to scrutinize the voting and process for the Annual General Meeting in a fair and transparent manner.

24. All documents referred to in the notice and other statutory registers shall be available for inspection by the Members at the registered office of the Company during office hours on all working days between 11.00 a.m. and 4.00 p.m. on all days except Saturdays, Sundays and public holidays, from the date hereof up to the date of the Meeting and at the venue of the Meeting for the duration of the Meeting. FUTURE OUTLOOK:

The company is looking for expansion of business in Infrastructure / Construction by providing various different products and being different in market one should add uniqueness in product to survive in market. This will reduce the dependency on one product and its overseas market. The group will make optimum utilization of its existing infrastructure facilities which are already designed for many prospects.

AN INDUSTRY OVERVIEW:

In India, the real estate sector is the second-highest employment generator, after the agriculture sector. Real estate sector in India is expected to reach US\$ 1 trillion in market size by 2030, up from US\$ 200 billion in 2021. By 2025, it will contribute 13% to country's GDP. Emergence of nuclear families, rapid urbanization and rising household income are likely to remain the key drivers for growth in all spheres of real estate, including residential, commercial, and retail.

Rapid urbanization in the country is pushing the growth of real estate. More than 70-75% of India's GDP will be contributed by urban areas by 2030.

Around 40 million square feet were delivered in India in 2021. It is expected that the country will have a 40% market share in the next 2-3 years.

India's real estate sector saw over 1,700 acres of land deals in the top 7 cities in 1 year. Foreign investments in the commercial real estate sector were at US\$ 10.3 billion between the years 2017 to 2021. As of February 2022, Developers expect demand for office spaces in SEZs to shoot up after the replacement of the existing SEZs act.

According to the Economic Times Housing Finance Summit, about 3 houses are built per 1,000 people per year compared with the required construction rate of 5 houses per 1,000

population. The current shortage of housing in urban areas is estimated to be ~10 million units.

An additional 25 million units of affordable housing are required by 2030 to meet the growth in the country's urban population.

The Government of India has been supportive towards the real estate sector. The Government has also raised FDI (Foreign Direct Investment) limits for townships and settlements development projects to 100%. Real estate projects within Special Economic Zones (SEZ) are also permitted for 100% FDI. Construction is the third-largest sector in terms of FDI inflow. Indian real estate is expected to attract a substantial amount of FDI in the next two years with US\$ 8 billion capital infusion by F.Y. 2022. As of June 30, 2021, India formally approved 427 SEZs.

Government of India's Housing for All initiative is expected to bring US\$ 1.3 trillion investments in the housing sector by 2025. As of December 2019, under Pradhan Mantri Awas Yojana (Urban) [PMAY (U)], 1.12 crores houses were sanctioned in urban areas, with a potential to create 1.20 crores jobs. The scheme is expected to push affordable housing and construction in the country and give a boost to the real estate sector.

The low home loan interest rates regime is expected to drive the housing demand and increase sales by 35-40% in the festive season in 2023.

The Ministry of Housing and Urban Affairs has recommended all the states to consider reducing stamp duty of property transactions in a bid to push real estate activity, generate more revenue and aid economic growth.

INDEPENDENT AUDITOR'S REPORT

To The Members of POPULAR ESTATE MANAGEMENT LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Popular Estate Management Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, the Statement of Cash Flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information (referred as "financial statements" hereinafter).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind-AS"), and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2026, its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SAs"). Our responsibilities under those Standards are further described in the section "Auditor's Responsibility for the Audit of the Financial Statements" of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements & Auditor's Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including annexure thereof and Corporate Governance including annexures which shall form part of Annual Report of the company but does not include the financial statements and our auditor's report thereon. The said reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the said reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and Board of Directors.
- Conclude on the appropriateness of management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be

communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure-A**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with all the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting
 - g) With respect to the matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. However no remuneration is paid during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us,
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. Reporting in respect of following:
 - a. The Company's Management and the Board of Directors have represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries,
 - b. The Company's Management and the Board of Directors have represented, that, to the best of their knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and,
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.
- v. The dividend declared or paid during the year by the Company is in compliance with section 123 of the Companies Act, 2013,
- vi. Reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is applicable from 1st April, 2023:

Based on our examination which included test checks, the company has used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. We did not come across any instance of the audit trail feature being tampered with.

- f. The company does not have subsidiaries, associates or joint ventures and hence reporting under this clause is not applicable to the company for the year under report.

9. During the current year, the company has neither raised money by way of initial public offer or further public offer (including debt instruments) nor made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible). Hence reporting under this clause is not applicable to the company for the year under report.

10. In respect of reporting of fraud or whistle blower mechanism:

- a. No fraud by the Company or any fraud on the Company has been noticed or reported during the year.
- b. No report under sub-section (12) of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c. No whistle blower complaints were received by the Company during the year.

11. Company is not a Nidhi Company hence reporting under this clause is not applicable to the company for the year under report.

12. In our opinion and according to the information and explanations given to us, the Company is in compliance with Sections 177 and 188 of the Act, where applicable, in respect of all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.

13. In respect of internal audit system:

- a. The Company has an internal audit system commensurate with the size and nature of its business.
- b. We have considered the internal audit reports of the Company issued till date for the period under audit.

14. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company. Accordingly, reporting under this clause is not applicable to the company for the year under report

15. Reporting in respect of following:

- a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence reporting under this clause is not applicable to the company for the year under report
- b. The company has not conducted any Non-Banking or Housing Financial activities with or without any Valid Certificate of Registration (CoR) from the RBI as per the RBI Act, 1934. Hence reporting under this clause is not applicable to the company for the year under report.
- c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence reporting under this clause is not applicable to the company for the year under report.
- d. The Group does not have any CIC. Therefore, the requirements of clause 3(xvi)(d) are not applicable. Hence reporting under this clause is not applicable to the company for the year under report.

16. The company has not incurred cash losses in the financial year and in the immediately preceding financial year.

17. There has been no resignation of the statutory auditors during the year hence reporting under this clause is not applicable to the company for the year under report.

18. The financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

19. Reporting in respect of Corporate Social Responsibility (CSR) u/s. 135:

- a. There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Hence reporting under clause is not applicable to the company for the year under report

- b. In our opinion, there are no ongoing projects towards Corporate Social Responsibility (CSR) requiring a transfer to special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Hence reporting under this clause is not applicable to the company for the year under report.
20. Requirements of preparing & issuing of consolidated financial statements are not applicable to the company and hence reporting under this clause is not applicable to the company for the year under report.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act)

Opinion

We have audited the internal financial controls over financial reporting of **Popular Estate Management Limited** ("the Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company and its joint operations companies incorporated in India (retain as applicable) based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to financial statement for the year ended March 31, 2026

1. Corporate information:

Popular Estate Management Limited (CIN: L65910GJ1994PLC023287) (referred as “the Company” in these financial statements) was incorporated on October 14, 1994; having registered office at Ahmedabad, Gujarat, India. The Company's operations pre-dominantly relates to construction & development of buildings and infrastructure.

The company is a listed public company on Bombay Stock Exchange vide script code: 531870.

These financial statements are approved for issue by the Company's Board of Directors on 09/05/2026.

2. Statement of compliance:

These financial statements comprising of Balance Sheet as at March 31, 2026, Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year ended March 31, 2026; have been prepared in accordance with Indian Accounting Standards ('Ind AS') as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

3. Basis of preparation:

The financial statements have been prepared on accrual basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified there under, except for financial instruments where the fair valuation have been carried out in accordance with the requirements of respective Ind AS.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

All the numbers in these financial statements are reported in Rupees unless otherwise stated.

4. Summary of significant accounting policies:

i) Use of estimates:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of relevant facts and circumstances as at the date of the financial statements. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from estimates.

Notes to financial statement for the year ended March 31, 2026
--

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities in coming financial years are specified here-in-after:

a) Useful lives of property, plant and equipment

The Company is providing depreciation at the rates derived based on the useful life specified under Schedule-II to the Companies Act, 2013. The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

b) Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable than an outflow of resources will be required to settle the obligation, in respect of which the reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date, adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

Major provisions recognized in financial statement and related accounting policy are specified as under:

Current / Deferred tax liabilities - Refer Note 4(xiv), 9 and 26

Other estimates:

The preparation of financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

ii) Revenue recognition:

a) Revenue from operations:

The Company derives revenues primarily from construction & development of buildings and infrastructure. Revenue is recognized upon transfer of control of land or units of the building constructed by the company, to the customers in an amount that reflects the consideration we expect to receive in exchange for.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. In case where there is no uncertainty as to measurement or collectability of consideration, revenue is recognised as soon as the control of the land or units of the building has been given. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

Notes to financial statement for the year ended March 31, 2026

The Company presents revenues net of indirect taxes in its statement of Profit and loss.

b) Other income:

Other income is comprised primarily of interest income, income from sale of property, plant & equipments.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Income from sale of property, plant & equipments is recognised as when it arises i. e. on sale of property, plant & equipment.

iii) Property, Plant & Equipment:

a) Property, Plant & Equipment

All Property, Plant and Equipments are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure that is directly attributable to getting the asset ready for intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use.

b) Capital Work-in-progress

Properties in the course of construction (CWIP) for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Notes to financial statement for the year ended March 31, 2026

iv) Depreciation on Property, Plant & Equipment:

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible property, plant and equipment is provided over the useful lives specified under Schedule II to the Companies Act, 2013.

Nature of Assets	Useful life (in Years)
Office Equipments	5
Furniture & Fixtures	10
Computers	3
Vehicles	8

v) Intangible Assets and Amortization:

Intangible assets purchased are measured at cost or fair value as on the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any.

Intangible assets are amortised on a straight line basis over their estimated useful lives, commencing from the date the asset is available to the Company for its intended use.

Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalised development costs, are not capitalised and expenditure is reflected in the Statement of Profit and Loss in the year in which the expenditure is incurred.

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any

vi) Impairment of Property, Plant & Equipment and intangible assets :

At the end of each reporting period, the Company reviews the carrying amounts of its Property, Plant & Equipment and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Notes to financial statement for the year ended March 31, 2026

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Carrying amount equals to cost less accumulated depreciation and accumulated impairment losses recognised previously.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

vii) Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

viii) Inventories:

Inventories includes land acquired for resale or construction purposes. The same is valued at cost or net realisable value whichever is less.

ix) Leases:

In respect of assets taken on lease, leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to the ownership of an asset to the Company. All other leases are classified as operating leases.

Operating lease payments for lands are recognized as prepayments and amortised on a straight-line basis over the term of the lease. Contingent rentals, if any, arising under operating leases are recognised as an expense in the period in which they are incurred.

x) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Notes to financial statement for the year ended March 31, 2026

1. Financial Assets*a) Initial recognition and measurement*

At initial recognition, the Company measures a financial asset (which are not measured at fair value) through profit or loss at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset.

b) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- i) Financial assets measured at amortised cost;
- ii) Financial assets at fair value through profit or loss (FVTPL) and
- iii) Financial assets at fair value through other comprehensive income (FVTOCI).

The Company classifies its financial assets in the above mentioned categories based on:

- a) The Company's business model for managing the financial assets, and
- b) The contractual cash flows characteristics of the financial asset.

i) Financial assets measured at amortised cost :

A financial asset is measured at amortised cost if both of the following conditions are met:

- a) A financial asset is measured at amortised cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the Contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- b) Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

ii) Financial assets at fair value through profit or loss (FVTPL):

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

iii) Financial assets at fair value through other comprehensive income (FCTOCI):

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by collecting both contractual cash flows that gives rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or fair value through other comprehensive income. In addition, The Company may elect to designate a financial asset, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch')

Cash and Cash Equivalents & other current financial assets etc. are classified for measurement at amortised cost.

Notes to financial statement for the year ended March 31, 2026*c) Derecognition*

The Company derecognizes a financial asset when contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the assets's carrying amount and the sum of the consideration received and receivable is recognized in the Statement of Profit and Loss.

d) Impairment

The Company applies expected credit losses (ECL) model for measurement and recognition of loss allowance on the following:

- i. Trade receivables,
- ii. Financial assets measured at amortized cost (other than trade receivables and lease receivables),
- iii. Financial assets measured at fair value through other comprehensive income (FVTOCI).

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate.

In case of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognized as loss allowance. As a practical expedient, the Company uses a provision matrix to measure lifetime ECL on its portfolio of trade receivables.

In case of other assets (listed as ii and iii above), the Company determines if there has been a significant increase in credit risk of the financial asset since initial recognition. If the credit risk of such assets has not increased significantly, an amount equal to 12-month ECL is measured and recognized as loss allowance. However, if credit risk has increased significantly, an amount equal to lifetime ECL is measured and recognized as loss allowance.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL are a portion of the lifetime ECL which result from default events that are possible within 12 months from the reporting date.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss under the head 'Other expenses'.

ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

Notes to financial statement for the year ended March 31, 2026

2. Financial Liabilities*a) Initial recognition and measurement*

All financial liabilities are recognised initially at fair value and subsequently carried at amortised cost using the effective interest method.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

b) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

- i) Financial liabilities measured at amortised cost.
- ii) Financial liabilities at fair value through profit or loss.

i) Financial liabilities measured at amortised cost :

All financial liabilities are measured at amortised cost. Any discount or premium on redemption/ settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

ii) Financial assets at fair value through profit or loss (FVTPL):

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

c) Derecognition

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

3. Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

4. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

Notes to financial statement for the year ended March 31, 2026

5. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

xi) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

xii) Foreign currency Transactions

The functional currency of the company is Indian rupee.

On initial recognition, all foreign currency transactions are translated into the functional currency using the exchange rates prevailing on the date of the transaction. As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Statement of Profit and Loss

xiii) Employee benefits*a) Short term employee benefits*

Short Term benefits are recognised as an expense at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered.

b) Post employment benefits

As the company doesn't meet the employees' threshold currently, the company is not required to contribute towards any plan (neither defined contribution plan nor defined benefit plan) under any law for the time being in force. The company shall start contributing as and when it is required by the law.

xiv) Income Taxes:

Income tax expense represents the sum of the tax currently payable and deferred tax.

a) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Notes to financial statement for the year ended March 31, 2026*b) Deferred tax*

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

c) Current and deferred tax for the period

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

xv) Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Notes to financial statement for the year ended March 31, 2026
--

xvi) Earnings per equity share:

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company after adjusting for diluted earning, by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

xvii) Dividend:

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the company's Board of Directors.

xviii) Cenvat, Service Tax, Vat & GST:

GST credit on materials purchased / service availed for construction & development of the building are taken into account at the time of purchase and GST credit on purchase of capital items wherever applicable are taken into account as and when the assets are acquired.

GST credits so taken are utilized for payment of GST on units sold. The unutilized GST credit is carried forward in the books.

(xix) Segment reporting

The Chief Operational Decision Maker (CODM) monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting to the CODM.

Accordingly, the Board of Directors of the Company is CODM for the purpose of segment reporting. Refer note 29 for segment information presented.

(xx) Statement of Cash flows

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(xxi) Operating cycle:

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS 1- 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

32 Financial risk management

The Company's activities expose it to a variety of financial risks, including credit risk, market risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same.

The Company's risk management is governed by policies approved by the board of directors. The Company identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The Company has policies for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of non-derivative financial instruments.

The board of directors oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The board of directors is assisted in its oversight role by internal audit (mainly handled inhouse by the team of finance department). Internal audit undertakes both regular and ad-hoc reviews of risk management controls and procedures, the results of which are reported to the board of directors.

I Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk is managed through credit approvals, establishing credit limits, and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The history of trade receivables shows a negligible provision for bad and doubtful debts. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of expected losses in respect of trade and other receivables. The company is required to assess credit risk on following assets:

i) Trade Receivables:

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. The Company with various activities as mentioned above manages credit risk.

There is no operation during the periods covered by these financial statements and hence the company is not exposed to the credit risk during the periods covered by these financial statements. Accordingly there is no outstanding trade receivables as at each balance sheet date and no need to provide for allowance in respect of doubtful debts.

ii) Financial assets that are neither past due nor impaired

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's assessment of credit risk about particular financial institution. None of the Company's cash equivalents, including other current financial assets, were past due or impaired as at each balance sheet date.

POPULAR ESTATE MANAGEMENT LIMITED

Notes to financial statement for the year ended March 31, 2026

II Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The level of liquidity risk is very low considering the fact that the company relies on operating cash flows and owned equity. Currently the company has borrowed funds from bank mainly for the specific vehicles considering business needs. There are no short term loans the company has borrowed.

Further the Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring the forecasted & actual cash flows and, matching the maturity profiles of financial assets & financial liabilities. Long-term borrowings generally mature between One to Ten years. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The promoters of the Company believe in equity funding rather than relying on borrowed funds. The company can borrow funds from their promoters as and when required. The tables below analyze the company's financial liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Contractual maturities of financial liabilities as at March 31, 2026	Carrying Amount	Contractual Cash Flows				
		On demand or within 1 year	Over 1 year within 2 years	Over 3 years within 5 years	Over 5 years	Total

III Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to any market risk during the years covered by these financial statements. Components of market risk are specified below:

POPULAR ESTATE MANAGEMENT LIMITED

Notes to financial statement for the year ended March 31, 2026

a) **Currency Risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

The company donot have any currency risk during both the years as the company didnt enter into any transaction which is incurred in foreign currency. All transactions are in Indian Rupees only.

b) **Interest Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to the risk of changes in market interest rates as the company doesnt have any borrowing with floating interest rates. Long-term borrowings is having fixed rate of interes which doesnt fluctuate with the changes in the market rates.

Bifurecation of the exposure of the company's borrowing to interest rate changes at the end of the reporting period are stated as below:

Exposure to interest rate risk

<u>Particulars</u>	As at March 31,2026	As at March 31,2025	As at March 31,2024
Fixed Rate Borrowings	82,764,205	79,689,205	79,788,805
Variable Rate Borrowings	-	-	-
Total	82,764,205	79,689,205	79,788,805

For details of the Company's Non-current borrowings, including interest rate profiles, refer to Note 16 of these financial statements. As the company doesnt have any variable rate borrowing, profit or loss is not sensitive to the higher/lower interest expense from borrowings as a result of changes in interest rates.

c) **Price Risk**

The Company's operations pre-dominantly relates to construction & development of buildings and infrastructure. Exposure to market risk with respect to commodity prices primarily arises from the Company's purchase of land, purchase of construction materials, contract rates for hiring labour as well as sale prices of units of the housing / commerical building constructed & developed by the company. These rates generally donot fluctuate significantly over short periods of time but may fluctuate in long period. Price risk exposure is evaluated and managed through operating procedures and sourcing policies.

Since there is no operation in both the years covered by these financial statements, the company is not exposed to any price risk during the years covered by these financial statements.
